- 2) Suggestion box - it is now in place. 6 suggestions
 - Chess club - George - could be in the shared area at lunchtime - to be trialed next week. Olive suggested that 2 school council member should monitor it. It was agreed Olive and Kacie should take on these roles.
 - School Therapy Dog - Daisy. Discussion included allergies, responsibilities, costs and training involved including health and safety concerns. Not right at this moment. If a member of staff had a dog that they were happy to be used then it could happen.
 - Drawing club - Oscar and Brodie - Discussed behaviour. To just try one club at a time chess club.
 - Film Club - couldn't happen lunch time or break time - RN to speak to staff and see if it could be run after school. **ACTION - Lottie to check RN does this**

Any Issues raised:

Lottie raised an idea from Mrs Soames about supporting a local charity. It was decided that at the next meeting we choose one **ACTION:** School to all ask around school and families to collect ideas for a local charity to support.
