9th October 2020

Message from Head teacher: Well what a week! We knew about Comic Relief in the first week back and it has been quite a challenge to plan due to the Covid restrictions and what the BBC wanted. I was really pleased that the BBC used some of the footage in the one o'clock news of the whole school from the film Piers had made for us in 2019. This truly is a success story for everybody. We were also delighted that Noah was able to join us from TCC, it had been his idea for 2018, unfortunately, it was Sports Relief that year! The rest is history, but it wouldn't be without all of your support. Thank you all again.
