19th May 2016

**Message from Head teacher:** On Friday we are participating in Jamie Oliver's food revolution day. This is in the morning so we will hold our usual Celebration Assembly in the afternoon. Next Friday is our Sports day—weather permitting. This will begin at 1pm prompt. As we no longer have a PTA could we please ask for volunteers to run the refreshments stall. If you can help, please can you contact the office as soon as possible. We are also asking for donations of cakes etc. on the day. Please can these be brought into school Thursday and Friday next week. Many thanks for your support—fingers crossed the sun shines!

## Call for help to stop dumping in Whitsand Bay!

After legal action in 2014 and the quashing of the license in 2015 we enjoyed 18 months of no dumping of contaminated Dockyard silt in Whitsand Bay. Unfortunately in March this year new licences were issued and the dumping has started again. As in 2014, many pieces of legislation appear to have been breached, so Tonny Steenhagen and Deb Hoskin from Millbrook have decided to challenge the new licences once more through Judicial Review procedures. This doesn't come cheap though, so any financial and/or other support would be much appreciated!

## School Uniform

Please ensure that your child wears their uniform to school every day and that they have a full PE kit, which includes plimsolls/trainers. Thank you.

## School Council News

We raised £181 from our 'Fill a Jar' event last Friday. We had very positive feedback and comments on the improved contents of the jars from everyone. Thanks again to those who donated jars and supported the event.

Our Sports Day is planned for Friday 27 May. The School Council would like to arrange a raffle and wondered if a parent would like to volunteer to help with this. Please contact the office if you are able to help. Could we ask for donations of prizes for the raffle to be brought to the office within the next week. Thank you!

For more news and full details of the last School Council meeting, please see our website.

## Class News

**Class Argyll** - Today we wrote poems about muesli. In Science we learnt about blood types and what makes up our blood. In RE we learnt about Christians and how they live.  
By Tyler & Peter

**Class Lynher** - In History we have learning about old fashioned sports - we played football with no rules. We have been testing foods to find out the sugar content. We tried the breakfast muffins which Mrs Illingworth made with no added sugar - they were delicious. We also made and decorated muffin trays out of cardboard.  
By Molly & Ella

**Class Tamar** - Today we have been foraging in the school field and hedges for edible plants - we have been told not to eat any wild plants if we are not with an expert as there are some poisonous ones. This afternoon we cooked some different foods using the plants we collected.  
By Leia and Jorden

**Class Cremyll** - Yesterday we went foraging and learnt all about plants we could eat and those that we can't. We learnt that some were for medicinal purposes - some were edible and some were poisonous. We learnt that an edible one called Sorrel looks very similar to the poisonous one called Lords and Ladies. The difference is the 'road to hell' which is a line on the outline of the leaf of the lords and ladies. We all liked eating the plants. We made nettle soup with carrots and lots of other vegetables. We also made bread with edible flowers and leaves put in. Both were delicious.  
By Alice

**Class Plym - Yr1** - We have been making videos of our plants that we have grown. We created our own weather forecasts. We talked about the countries in the United Kingdom.

**Foundation** - We've learning about Gertie and the big bad wolf. We have been writing invitations to the ball and have been designing a ball dress for the wolf!
