## **Class News**

**Class Argyll** - We have been to Mount Batten. On the first day, we went sailing. The next morning, we had a full English breakfast followed by den building out of bamboo, pegs and sheets. We then did a team challenge and power boating which was really fun! On the final day, we did rock climbing and kayaking. Most people thought kayaking and power boating were the best activities.

By Romilly & Stanley

**Class Lynher** - We have been focussing on our projects about South America. Everyone has chosen a different country to research. We have also been learning about the Olympics in Rio. The Year 5's in our class went to Mount Batten this week and had a great time. Today, we have been doing a diary entry for Hogarth as we are reading 'The Iron Man'.

By Ella & Ellie

**Class Tamar** - We have been looking at different 3D shapes and their properties as well as angles, including obtuse and acute. We have also been learning about apostrophes. By George, Zach & Daisy

**Class Cremyll** - We have been doing activities to learn about capacity by estimating how much water is in a jug and then measuring the exact amount. We have also been playing tennis in PE which was good fun.

By Edward & Brodie

**Class Plym** - We had transition on Monday and spent time with our new class. We have also been learning about food groups & designed a healthy pizza. We have also been designing a class flag for the Olympics.
