FoFLES Volunteers Needed

FoFLES are hoping to involve new members to support fundraising events across the year at the school. **Any help with events big or small is gratefully received.** We have raised money through events like ice cream sales, a school disco and the Christmas & summer fayre. The money raised goes towards enrichment activities such as Mark's Ark, end of year school trips and the coach to swimming. We hope to build on this and provide more fun events for the school community and fund more enrichment activities for the children. Anyone keen can leave their contact number with the office and we'll add them to the WhatsApp group.

Football Club

If your child is no longer attending football club, please could you return the training kit to the office so it can be passed on to another child. Thank you.

Spare Underwear

If anyone has any outgrown/spare pants, particularly younger girls, please could we have them for school.

Class News

Class Lynher - In PE, we have been playing hockey with Miss Mackie. On Wednesday, we went to the immersive dome experience in Devonport which was amazing. They talked about Tim Peake who we have been learning about in English. In PSHE, we have been talking about alcohol, drugs and county lines. By Rose, Jasmine & Dylan

Class Tamar - In science this week we were investigating whether the length of your femur bone is relative to how far you can jump. In PSHE we talked about peer pressure, particularly smoking. To celebrate St Piran's Day we learnt all about who St Piran was and why he is the patron saint of Cornwall. In RE, we looked at the Jewish celebration of rest called Shabbat. By Eva & Alfie

Class Cremyll - In DT we have been designing our slider and lever pictures which we will make next week. We played team games in PE and we combined music and art this week by listening to two songs by The Beatles, picking our favourite, and then drawing a picture about how it made us feel. We've also been looking at the modern 10 Commandments in RE. By Michael & Harriet

Class Plym - In PSHE we talked about the importance of sleep. Children should have 10-12 hours sleep a day. We talked about what we do to get ready for bed and had lots of lovely contributions. Some of us like to have a bath, a glass of milk, pyjamas, stories. In PE we continued our target practice using an underarm throw. We tried this with different sized balls and bean bags. We had to look at our target and transfer our weight onto our other foot. In RE we have thought about Palm Sunday and how Jesus rode through Jerusalem on a donkey whilst people waved palm leaves at him. We listened to the Bible story and then we created our own palm leaves and acted out the story. By Cole & Noah,S
