1st February 2019

**Message from Head teacher:** On behalf of the school council, thank you very much for your support on their stand on red noses for Comic Relief. It was an excellent idea that was brought up by the children last year and really makes us think about our use of single use plastics. It would be great if we could see an alternative to these noses in the future. A great initiative led by Foullanesend, I'm very proud of them all.

### Fill a Jar - Friday 15th February

We are holding a 'fill a jar' fundraiser on Friday 15th February raising money for the Plymouth & Cornwall Cancer Fund (PCCF).

#### **We need you to:**

- Fill a jar/s with toys, sweets, shells and ribbons, anything you like – please surprise us.
- Make sure the jar/pot has a tight fitting lid.
- Make sure that if it is edible, it is in date and does not contain alcohol.
- Make sure they are in by **Friday 8<sup>th</sup> February** so that the children can start selling the tickets.

#### **The rules are:**

- Raffle tickets will be sold from Monday 11th February for 20p each.
- You can buy as many tickets as you like.
- A plastic cup is attached to each jar to put tickets in.
- At the draw, the jars are randomly chosen and a winning ticket from the jar is drawn.
- Children are allowed to win a maximum of 2 jars.

If you need a jar, tell your child to ask Mrs Norton who has a big bag of jars in her office!

### Whole School Attendance

This week, our whole school attendance is **92%**. So far this academic year, attendance is **95.7%**. Our overall target this year is that we can make it **96%**. Please help us achieve this by working with us. We can give your child Calpol or ibuprofen at school. However, if they really are unwell we will send them home. If you do keep your child at home and then they perk up, PLEASE send them to school, even just for the afternoon - every little bit helps and most importantly it makes a huge difference to your child's progress and education.

### Class News

**Class Lynher** - We thought Robin Hood was the best M&M production we have seen so far. We have started to write our disaster stories and learnt the French words for items in the classroom. We are enjoying our swimming each week and have also done circuits and Joe Wicks! By Lizzie & Callum

**Class Tamar** - This week we conducted a water cycle investigation and a making clouds investigation. We found it really interesting watching the clouds and the rain forming in the experiment. We did a Joe Wicks routine building our fitness and we are hoping to beat our personal best. By Mia & Oscar.T

**Class Cremyll** - We have created some wind inspired etchings using crayons. In music, we looked at tone and tempo. We worked in pairs to design some innovative wellies and have also continued to enjoy some yoga throughout the week. By Viva & Morgan

**Class Plym** - This week we have been creating a fact file on the Amazon rainforest. As explorers we described what the weather and climate is like in the rainforest. We enjoyed watching the production of Robin Hood on Monday. By Logan & Lydia
