Please can everyone make sure they have the correct jumpers/cardigans at home. Particularly children from Class Plym & Cremyll as we have a few children who are missing several jumpers and cardigans.

## Weekly Reminder from our FAQs

From page 3:

### My child is sick, what do I do?

If your child is not well enough for school then please call to inform us before 9.30am. This needs to be done daily until your child returns to school.

### When can my child return to school following sickness/diarrhoea?

The guidelines from Cornwall ask that your child is clear for 48 hours of any of these symptoms before you return them to school.

## Class News

**Class Lynher** - In art we have been looking at maps with different art on and which ones pop out. We have been combining maps and typography to plan a 3D map. Soon we are going to make it. In English we were using relative clauses to write about the characters from our book. PE is really fun as we are doing tag rugby and it was cool to find out all of the different skills you need to learn for a game of rugby. It is also tricky as we had to pass the ball while we were running up and down the hill. By Immy and Millie

**Class Tamar** - In Wild Tribe this week, we made our very own stick men, even giving them clothes made out of leaves and natural resources. We then wrote poems about them. In French, we learnt our numbers 1-10 and in history we looked at the differences between the Bronze Age and the Iron Age. In science, we set up our experiment to see if carnations would change colour if they were placed in food dye. By Maya & Alfie.H

**Class Cremyll** - We really enjoyed our trip to Plymouth yesterday. We saw statues of famous people and played in the park! In art, we drew pictures of shells without taking our pencil off the paper. We also played dodgeball in PE. By Clara

**Class Plym** - This week we have been reading 'The Rainbow Fish' and discussing whether we think he should share his scales. We have been doing repeating patterns and also looking at pairs. We went on a pair hunt around school. In RE, we have been making our family trees and talking about how families are different and that we all belong to a family. By Pip & Amy

## Class Lynher Author Event

Class Lynher really enjoyed a virtual session with Maz Evans, an author that we have read in school. She was really funny - we got a shout out and Charlie had a question answered. If you would like to buy her new book you can get it discounted by using the information on the poster on the back of the newsletter.

## Uniform

If anyone has any outgrown uniform they could donate to school for spares, we would be very grateful. Thank you.
